Project name: _____

Project number: _____

Institutional approval or comments:

After inspection, there exists no academic misconduct in this article, such as the falsifying of academic records, plagiarizing of other people's research results, multiple submissions of one article, or other problems violating relevant state confidentiality provisions or laws and regulations. Therefore, this article is approved to be submitted to *Frontiers of Nursing* (the former name *Chinese Nursing Research*)

Signature of the responsible person:

(Official seal)

Date:

Article authorization:

According to relevant provisions of the *Copyright Law of the People's Republic of China* and the associated *Regulations for the Implementation*, the author or authors agree transfer their copyrights or relevant property rights and the right of exclusive license use of this article to *Frontiers of Nursing* on the date of signing this transfer agreement if the article has been accepted for publication by the journal. *Frontiers of Nursing* has the following rights over parts of or the full article, but not limited to compilation rights, publication, reproduction, interpretation, E-publication and worldwide transmission of the article in whole or in part, while permitting to be included in, searched and used by retrieval systems such as Internet or databases in China and abroad, or to be published and used in other languages via different media existing or arising later in the way that is not against the existing law of the People's Republic of China or the law issued afterwards. Without permission from *Frontiers of Nursing*, no one is allowed to reprint any part of this article elsewhere. After the article is published, *Frontiers of Nursing* will pay a certain one-time contribution fee to the authors, which includes the copyright transfer fees paid by all of the databases that include our journal and the remuneration paid to the authors by our journal. For the other rights of the author or authors, they should be put forward by the author or authors and negotiated by the two sides. This authorization takes effect from the date of the article's publication, and the period of validity should be as long as the copyright protection period of this article.

Rules for manuscript withdrawal: if the authors would like to withdraw their manuscript before acceptance, please inform the editorial office and proceed with relevant procedures as soon as possible. Once the manuscript is accepted, withdrawal of the manuscript is not allowed in principle. If the authors definitely need to withdraw the manuscript due to personal reasons, an application for manuscript withdrawal is required as well as associated fee compensations such as a review fee, editing fee, polishing fee, and typesetting fee. After two instances of manuscript withdrawal subsequent to acceptance due to the authors' personal reasons, the authors will be automatically added to the blacklist of our journal alliance.
